DA Podcast - Episode 4: Smiley Face

By *Jerowyn*

Created 04/15/2010 - 23:24

In this episode of the Dragon Age Podcast we wrap up the Bazaar discussion, discuss BioWare's Feast Day DLC, and bring you the latest from the Dragon Age Nexus. Our Community Segment this episode is the long awaited "Sneaky Build Tips." We feature an interview with the Baldur's Gate 2 Redux mod team, and we read and respond to the feedback we've received since our last episode. And somehow along the way we talk about smiley faces.

You can listen to the podcast here:

There's supposed to be something here. Do you have flash installed? You won't be able to see this without flash.
